

Manystakes — Micro-Bet Pack

Practical decision aid. Not financial advice. No income guarantees.

PART 1 — Name the bet

Write one sentence: the belief that must be true for the work to matter.

Audience: _____ Pain: _____

Promise (observable): _____

PART 2 — Shrink the test (finish this week)

Smallest action: _____

Time box: _____ hours/days Signal I will count: _____

Pre-commit rule BEFORE results: continue if _____ / kill if _____

PART 3 — Review sheet

What happened (facts only):

What I will do next (continue / change / kill): _____

PART 4 — Swarm scorecard (one row per offer)

Offer | Visits | Sales | Refunds | Decision (kill/double) | Date

____ | ____ | ____ | ____ | _____ | ____

PART 5 — Offer one-pager fields

Price · Delivery (instant file) · Kill line · Distribution channel · Notes

Honesty: outcomes depend on your context and execution.

Brand: Manystakes. Instant digital download.

Freelancer Scope Firewall (bonus checklist)

Before you say yes to a request:

1. One outcome sentence
2. Explicit exclusions
3. Who decides done
4. What changes the estimate
5. Next written step + date

Email seed: Thanks — before I start, here is the written scope:

Outcome / Not included / Approver / Change triggers / Next step.

I will begin when you confirm in writing.
